In 2022, a new architectural shingle roof was added and in 2020, a new upstairs heat pump was installed. Inside, you'll find a spacious great room with a vaulted ceiling and cozy gas log fireplace—perfect for relaxing or entertaining. The kitchen offers plenty of cabinet space, a generous pantry and a built-in desk area. With three full bathrooms—one on the main floor and two upstairs—there's room for everyone. The owner's suite is oversized to comfortably fit king-sized furniture and includes two walk-in closets—one large enough to serve as a home office! The en-suite bath features double vanities and plenty of space. All the bedrooms are large, with excellent closet storage throughout. And don't miss the fantastic back porch overlooking the lake—it's the perfect place to unwind and enjoy the view. This home shows beautifully and won't last long.
