Welcome home to 1007 Edgefield Street! This home has been meticulously maintained and has many upgrades surrounding homes do not. Nestled in Laurel Hill just minutes to downtown Columbia, this home has extra parking added for your guests. Entering through the front door you are greeted with a gas fireplace topped with a locally made mantel and granite hearth to keep you warm in the winter and an extra large fan to keep you cool in the summer. Hardwood floors extend through the main living room, office, and all bedrooms upstairs. Marble tile floors in the kitchen, bathrooms and massive laundry room. The kitchen was nicely upgraded recently with gas range, wine fridge, Bosch wall oven, slate tile backsplash and granite countertops. Custom cabinets in both the kitchen and laundry mud room for ample storage space. A deep steel utility sink in the laundry room for hard to clean stains or projects. The office downstairs could be used as a 4th bedroom if desired. Upstairs you will find the master suite and 2 additional bedrooms. Surround sound is wired in the sunroom and can be on the same or separate channels from the outdoor surround sound speakers. Several Ethernet and HDMI cables have been run as well for easy cable management. Walking out back you can entertain on the deck or covered patio. The outdoor kitchen has a gas grill that will stay with the home and can be converted to natural gas in the future. Call today to make this beautiful house your next home!
