1053 HARVEST ROAD

<https://vizorealty.com>

Wonderful lakefront retreat on a large .89 acre lot with 133 feet on Lake Murray. This home is made for entertaining! There is a covered porch across the lakeside of the home, an outdoor cooking area with concrete patio, a private dock and a concrete boat ramp. Amazing views of the water from the living room with walls of windows to let in the natural light, and vaulted ceilings with beams and real wood trim. The room over the small garage could also be finished out for additional space - the ceilings have already been beautifully finished with recycled wood.
