<https://vizorealty.com>

Located in West Columbia, 1126 Decatur Street offers the perfect one-level layout with a fenced-in backyard, carport, and a basement workshop or storage area. The front porch is welcoming, and the entry opens to a spacious family room and formal dining room with hardwood floors. The kitchen, off the dining room toward the back of the home, provides ample storage, a pantry, and an eat-in area. The laundry room is conveniently located just off the kitchen. Three bedroomsâeach with a closetâcomplete the home. The doors to bedroom 3 have been removed, and the room was used as a study, but it can easily revert to a bedroom if desired. A full bath is located off the hall. Well cared for and move-in ready, this property is being offered as an estate sale and is sold as-is.
