Welcome to 113 Chalfont Lane, where a wide, charming front porch sets the tone for this spacious and inviting home in the heart of Lake Carolina. This true 5-bedroom residence offers generous living space, thoughtful updates, and unbeatable privacy. Step inside to a dramatic two-story foyer flanked by a formal dining room on one side and a versatile flex room on the other—perfect for a home office, second living area, or playroom. Continue into the open-concept kitchen and living room, where updated light fixtures and brand new LVP flooring add a fresh, modern feel. A bedroom (also with LVP flooring) and full bath on the main level make an ideal space for guests or multigenerational living. Upstairs, you'll find four additional bedrooms—including a spacious primary suite with a sitting room, a beautifully remodeled en-suite bathroom, and dual walk in closets! Three more bedrooms and a shared hall bath with new tile flooring and updated fixtures complete the second floor. Enjoy your morning coffee or weekend evenings on the deck, overlooking a private lot that backs to peaceful woods. All of this in the award-winning Lake Carolina community, offering swimming pools, walking trails, a boat ramp, top-rated schools, and an on-site YMCA. A rare opportunity in one of Columbia's most sought-after neighborhoods! Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
