

1135 ELKWOOD LANE

<https://vizorealty.com>

One of the nicest areas of South Carolina has a large property available. This tract gives multiple options for home sites or just a place to get away and enjoy the country. The topography is level throughout the tract which gives it multiple home locations and a perfect property to have a mini farm. The trees are large enough to provide privacy but small enough that land clearing will be affordable. The tract is centrally located in South Carolina therefore making it a days trip to both the beach and the mountains and everywhere else throughout the state. On days you don't want to travel, the property is a short drive to beautiful historic downtown Camden along with all the shopping and restaurants it has to enjoy. This is truly one of the most beautiful areas of the state. Call the listing agent today for more information or to set up a showing.
