BETTER THAN NEW & READY FOR YOU! Newly constructed in 2022 by Riverbend Builders this fresh take on modern living has quite the appeal. From the time you walk through the double door entry, your eyes are drawn to the brick fireplace and tall ceilings that give the wonderful kitchen and living room a grand design. Downstairs you will find the owners suite separate from the living areas with a spa like bathroom featuring double vanities, a soaking tub and nice size shower area. The oversize walk-through closet connects the laundry room to the bathroom of the owner's suite. Upstairs has a living room loft area separating an ensuite guestroom and two other bedrooms that share a large full bath. There is a mudroom off of the two-car garage and large pantry. Outside boasts a screened in porch with gas fireplace, another wood firepit area and plenty of yard space for play and entertaining! The owners have installed a vinyl privacy fence along with front and rear yard and an irrigation system.
