Welcome to Brittony Acres! Built in 2020, this custom-built 4-bedroom, 3.5-bath home offers over 3,500 square feet of beautifully designed living space on a peaceful 2-acre lot—with no HOA. Inside, you'll find hardwood floors throughout the main living areas and a spacious living room with a classic brick gas log fireplace. A dedicated home office provides the perfect space for working from home or managing daily tasks. The owner's suite is conveniently located on the main level and features a tray ceiling, a luxurious tiled bathroom with a frameless glass walk-in shower, double vanities with granite countertops and a large walk-in closet. The kitchen is both stylish and functional—offering granite countertops, a walk-in pantry, abundant storage and a coffee station for added convenience. Built-in speakers allow you to enjoy music in the kitchen, owner's suite and screened back porch—perfect for setting the mood whether you're entertaining or relaxing. Upstairs, you'll find a loft area that adds even more flexibility to the floor plan—great for a second living space, playroom, or media room. Step outside and unwind on the screened back porch as you take in the view of the fenced backyard, sparkling saltwater pool and cozy fire pit. Whether you're hosting guests or enjoying a quiet evening at home, this property offers the space, style and freedom to live life to the fullest.
