13 ITHACA COURT

<https://vizorealty.com>

Welcome to a home that truly has it all! From the moment you pull into the quiet cul-de-sac street, you will know this is the one! This home is nestled in the sought-after Hunters Crossing neighborhood. It's the perfect blend of community, convenience, and tranquility! And the best part? No HOA to worry about! Step inside, and you're immediately greeted by open space that feels warm and inviting. The living room and dining room is spacious and full of natural light. Just beyond, the eat-in kitchen has tons of cabinetry, granite countertops, and room for everyone to gather while meals come together. The primary suite is right here on the main floor, tucked away for privacy. It's spacious, serene, and the perfect retreat after a long day. Just on the opposite side of the house you'll find five more bedrooms and an incredible formal room over the garage—imagine the possibilities! A media room, a game room, a home office, playroom?—the choice is yours. One of my favorite things about this home is the abundant storage throughout—everywhere you turn, there's space for everything! Let's talk about this sprawling .8 acre lot!—not only is it large and private, but it also backs up to the park and baseball fields, giving you quick, easy access to endless outdoor fun. Don't miss your chance to make this rare find your next home! Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
