Do you want a big house, but not the big yard to maintain? This 4-bedroom home, each with their own walk-in closet and attached bathroom, has tons of storage in an award-winning school district. Front yard maintenance is included, and the flat, fully fenced backyard has enough space for a playset, but doesn't demand your weekends. Want your front yard edged, but don't want landscapers to mess with your front flower bed? Great! Your wish is the landscaper's command and that flower bed will look great next to the stone accents of the covered front porch. Hardwood floors, wainscoting and crown molding run throughout the front entry and formal dining room. The kitchen offers island seating and a breakfast area, a walk-in pantry, granite counters, stainless appliances, recessed lighting, and built-in speakers. The oven even air-fries and dehydrates! Oversized furniture fits comfortably in the family room overlooking that minimal-effort backyard. The owner's suite is on the main level and features a tray ceiling, dual vanities, a private water closet, a walk-in shower and separate tub, temperature controls for the tankless water heater, and a huge walk-in closet. The mudroom includes a storage bench right next to the laundry room. Upstairs, a massive loft provides a second living area and walk-in attic storage. Bedroom 2 has a full, private bath, Bedrooms 3 & 4 share a Jack-&-Jill bathroom, and remember, all bedrooms have walk-in closets. Smart thermostats and the stove can be controlled away from home. This community, filled with other like-minded yardwork-minimalist friends, is located just 5 minutes from I-20 and the Country Club of Lexington (which offers a pool, tennis, and golf), 10 minutes to downtown Lexington, and 30 minutes to downtown Columbia. Come see why this is the perfect place to call home! Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
