This stunning custom-built home is just like new! Built in 2023 133 Summer Breeze Drive is located in Harbour Watch which is a private, gated Lake Murray community with private deep-water Marina and includes a DEEDED BOAT Slip. Step into this house and you will know you found your new home! The wide front porch invites to sit and enjoy the Summer Breeze and enjoy the view of the lake across the street. The front door opens into a warm great room with fireplace and bookcases on both sides. Luxury Vinyl Plank floors and high ceilings over 9 feet! The dining area and custom kitchen with tiled backsplash, double ovens, painted white cabinets, granite counter tops, Island and a pantry you just won't believe! The open concept makes entertaining a preference in your life. The Master bedroom features a private bath, double vanity, tremendous walk in closet, access to the laundry room from pocket door in Master Bath. Master bath has a large separate shower and free-standing tub. Upstairs features two bedrooms with oversized closets and jack and jill bathrooms. Carpet flooring and tile in the bathrooms. Again, those high ceilings just add to the open concept and comfort you will feel throughout this home. My favorite room is the breeze way! Seller states that in Italian, "la stanza venticello" can be translated as "the breeze room or "the room with a light breeze." This is their favorite room too! They are known as the neighbors with a remarkable breezeway! This room also features a fireplace and sitting area with a view. The oversized garage has three entry doors two for autos and one for your boat or golf cart. Lots of storage area too! Welcome Home!!!
