Rare Opportunity in Little Mountain to purchase a log home in a private setting with no HOA! Just across the county line so you get the advantage of the lower Newberry County taxes, this hidden gem is close to Chapin and Lake Murray. The 2-acre lot backs up to a forested area. Built in 2006, the log home has a rustic feel with all the modern conveniences. It's in excellent condition and features 3 bedrooms and 2 bathrooms. The main level boasts an open layout ideal for entertaining, complete with a cozy propane stove and soaring ceilings in the living room. The kitchen is a standout with granite countertops, stained cabinetry, and a bright dining area that overlooks the backyard and trees. Upstairs, you'll find the primary suite and a loft. The primary suite includes a tub/shower combo and a walk-in closet. Two additional bedrooms are located downstairs and share a full bathroom. Enjoy quiet time on the covered front porch or large back deck, and the spacious backyard which would be perfect for an evening around a firepit. There is also room for a future detached garage or workshop with a space already semi-cleared to the right of the home. The chicken coop is ready to go and located under the trees to help protect them from predators. There is a generator on the left that can be included with an acceptable contract.
