Looking for space, privacy, and a super convenient location? This 4-bedroom, 3-bath home has you covered—just minutes from I-20, I-77, downtown Columbia, and USC. Plus, the private backyard gets you that tucked-away feel without being far from everything. Inside, the main level has a formal dining room, a separate living room, and an eat-in kitchen with an island that opens right up to a screened-in porch. All the bedrooms are on one end of the home, including the primary bedroom which has its own private bath. Downstairs, there's even more space with a full bath, laundry area, and a cozy family room that leads straight out to the backyard. And yes, there are two fireplaces—one upstairs in the great room and another downstairs in the family room. Don't miss the chance to make this one your own!
