This commercial lot is ideal for office, retail, light industrial, flex space, or warehouse use. It is in a well-established commercial corridor with convenient access to I-95, I-20, and HWY 52. The property features +/- 183 feet of road frontage facing Sally Hill Farm Blvd. Moreover, water and sewer connections are already in place on the property (The sewer is forced and will need a lift station). The parcel size was taken off of the Florence County GIS site. If acreage or road frontage is important, the Buyer is responsible for a survey before the offer, an accepted offer will not be based on price per acre or road frontage.
