Charming stone cottage on expansive .63 acre corner lot with mature camellias and azaleas. Nice flow for entertaining your friends and family with two covered porches and a French door that opens up to a fully enclosed backyard and patio for grilling. The formal living room with a fireplace leads to the formal dining room via an arched entrance. The kitchen is conveniently located adjacent to the dining room and leads to the laundry area/mud room. Gleaming hardwoods throughout except the tiled hall bathroom and kitchen. The windows have been replaced and allow for good natural lighting. The bedrooms are well sized with one en suite bathroom and a hall bathroom as well as a good sized linen closet in the hallway. An additional 438.8 storage can be found in the detached double carport. The driveway is generous and allows for adequate parking for guests as well. Great space for a pool.
