Absolutely stunning golf course home with water view in a gated neighborhood is customized well beyond a builder grade home. Why choose to wait when this home and this view can be yours for less than doing this yourself? Modified layout to the Dover plan adds more living space in the most important rooms: the kitchen, great room and owner suite. 36" gas cooktop on quartz counters with subway tile backsplash. Double oven. Convection microwave. Oversized island ideal for entertaining when you feel that desire to share your space with friends and family. Expertly chosen fixtures are all top shelf quality and design. Owner suite has a private enclosed patio for easy access to the stone paver back deck with ramps on each end. Over \$50,000 spent on the exterior to enjoy those evenings overlooking the golf course and pond and listening to the music through outdoor speakers. Garage has custom storage areas and an extra 20 s.f. nook so you can have all your things AND park both cars inside.
