2020 S LAKE DRIVE

<https://vizorealty.com>

This is a very large and spacious parcel that is now available in one of the fastest growing areas of the state. The owner has developed self storage and an RV Park on the property and this is the last parcel so the possibilities are limitless. Already zoned commercial with 300' of road frontage. Act now to secure your footprint in the White Knoll area while the new Bluefield subdivision is in its early development stage and before the new elementary school begins opens just down the road, as these events will bring even more value to this commercial corridor.
