This 3,800 sq. ft. brick Georgian, built in 1921, is as timeless as it is livable. With 5 bedrooms and 4.5 baths, it's designed for both elegance and everyday comfort. Step inside to find rich hardwood floors, moldings, and 4 fireplaces that add warmth and character throughout. The formal living and dining rooms set the stage for gatherings, while the sunroom invites you to slow down and soak in the natural light. The kitchen is both beautiful and functional, ready for morning coffee or full-scale entertaining. Upstairs, two bedrooms each have their own private bath, while the remaining two share a Jack and Jill bath—a perfect setup for both privacy and practicality. The fifth bedroom (or office), located on the main level, also features its own private bath, offering a great option for guests or multi-generational living. A half bath on the main floor adds even more convenience. Outside, the fenced backyard and spacious deck are made for gatherings, while a separate outbuilding with its own powder room creates a unique space for entertaining, hobbies, or a creative retreat. The location puts you right in town within walking distance to restaurants, shops, banking, the library, and more. And when you're ready for a change of scenery, you're just minutes from Lake Wateree and Lake Monticello. Easy access to I-77 puts you in Columbia in 30 minutes, Rock Hill and Fort Mill just 45 minutes, and Charlotte, NC, only an hour north. Need to catch a flight? Easily access Columbia Metropolitan Airport or Charlotte Douglas International Airport. Plus, you're just 20 minutes from the new Scout Motors Plant in Blythewood, making this a fantastic location for work, leisure, and everything in between.
