You must see this beautiful country-living home with upscale features! Enjoy the peace and beauty of a whole acre with a low maintenance home and multiple upgrades. Enter the serene property through the remote-controlled gate into the fully fenced acre, which provides extra peace of mind for people and pets! The brick home is energy efficient with a smart thermostat and energy-saving features, such as spray insulation, including a fully insulated attic with full-height ceilings providing storage and expansion options. All flooring throughout the home has been upgraded and all walls and trim are freshly painted. The great room has a light, cozy feel provided by the new gas log fireplace insert. The kitchen has a new range and microwave, along with a new sink. All bathroom vanities are new, and the home boasts new light fixtures throughout. The main suite has a tray ceiling and a French door onto the back patio, and the main bath features separate vanities and a bluetooth speaker and switches. Many other upgrades await your viewing! The appeal does not end indoors but continues outdoors with the pull-through, two door garage with 50 amp outlet. There is space for two RVs to be hooked up to the septic as well as another access to 50 amps. The side yard features new raised planting beds. More storage is available in the separate, detached storage garage with electricity at the back of the property. In the back yard amenities continue, which do not end with benefits to humans. You can even bring your chickens to live a life of luxury in the large chicken coop! The posh chickens will be kept safe with smart surveillance cameras inside and outside the coop and two smart coop entry doors just for chickens! Enjoy watching your chickens at home and away! This beautiful home and grounds is a great find! Don't miss it!
