233 LAKE ESTATE DRIVE

<https://vizorealty.com>

This one of a kind uniquely designed home is reminiscent of a South Florida waterfront estate with its stunning white brick exterior, dramatic rooflines and meticulously sculpted landscaping with circle driveway. The stunning exterior makes you curious as to what's inside and I assure you that you will not be disappointed! The architect designed the floor plan and positioned the home on this .42 acre lot to maximize lake views from almost every room. Lake living is best achieved when you can bring the natural beauty of the lake inside your home and this is accomplished with an amazing Florida Room, an upper and lower screened porch, a stamped concrete poolside covered patio and a gunite pool. The master suite is on the main level as is the study/library. You will appreciate and marvel at the exquisite detail throughout your home with heavy trim, columns, 3 fireplaces (two of which are see-through between rooms), soaring ceilings and more. The gourmet kitchen is huge, open and bright with lots of cabinets, a pantry and more counter space than you will ever need. The appliances have recently been replaced as well. The master retreat faces the water with fantastic long lake views and boasts a gas log fireplace, spa-like bath with both a bidet and a comfort height washlet toilet and a huge walk-in closet with built-ins galore! there are 2 bedrooms upstairs with a hall bath. Your basement is set up for entertaining with a kitchenette, den with fireplace, full bath to service your pool guests, bedroom 4 and an office or exercise room. Timberlake golf and Country Club has memberships available so that you can enjoy golf, pool, fitness center, tennis pickleball and more. Don't forget that you can always dine at the club's restaurant, even if you are not a member. Your private low-maintenance composite deep-water dock is situated within the 105' of rip-rapped shoreline. This is a home that you can be truly proud of and you deserve it!
