Who says there are NO homes with basements in South Carolina! Well, they'd be wrong! Don't miss your opportunity to call this rare gem, HOME! This gorgeous home sits on a quiet cul de sac in a gated community of Reflections. On the main level, you have the primary suite with a spa-like ensuite and a brand new vanity, large walk-in closet and an attached sunny sitting room/office. You'll also find a second bedroom, a full bath, formal dining, and a great room with a fireplace. Along with an eat-in Kitchen with an updated stainless appliance package, including a brand new modern sink. On the lower level, you'll find the Basement with a walkout! Two more bedrooms, a den and a full bath. There is also 500 SF of unfinished space which makes for a huge man cave, or lots of storage. Better yet, it could be finished into a full kitchen, turning the basement into an income producing apartment, being that it has outdoor access. The fully fenced backyard offers tons of privacy and a relaxing patio. This gated community of Reflections offers access to the community pool, lakes, a dog park, walking trails, and much more! Conveniently located close to downtown, Fort Jackson, the VA hospital, and the McEntire JNG base. Note: Current owner used 4th BR as a salon, however can easily be converted back to a functioning BR.
