A MUST SEE! This one-of-a-kind, custom built property has a unique layout that exhibits charm and character. With 3 bedrooms and 2.5 bathrooms, this residence offers plenty of room for comfortable living while sitting on 1.8 acres. Step inside the main level to discover freshly painted interiors that create a bright and inviting atmosphere with pine tongue and groove ceilings. A large open concept living room/kitchen/dining space for entertaining. There is an office and 1/2 bath on this floor as well. A beautifully crafted spiral staircase connects the living spaces, maximizing the home's unique flow. Working intercom system from main floor to bottom. On the bottom level you can find 3 bedrooms and 2 full bathrooms. Each room with a walk in closet and his/her closet in the master. Large utility room with refrigerator and storage closet also on the bottom level. The sunroom is another standout feature, flooded with natural light, making it the perfect spot for relaxation or enjoying your morning coffee. Significant updates include a new roof installed in 2020 and a new HVAC unit added in 2021. For those with hobbies or work needs, a wired 3-bay workshop awaits, providing ample space for projects and storage. This home is move-in ready, allowing you to settle in and start enjoying its unique features immediately. Don't miss the opportunity to make this charming property your own!
