Beautifully renovated brick ranch in quiet established neighborhood outside city limits but still close to stores and restaurants. This home has been tastefully updated with wood LVP flooring throughout. From the double attached carport with huge outdoor utility storage closet to the comforting primary suite, it has all fresh paint inside and out. You will love the new kitchen with its freshly painted cabinets and counters, charming glass doors and stylish black hardware. There is a new stove and the refrigerator also remains. There is a generous laundry/ utility room inside the home. Both full bathrooms have had facelifts with the en-suite bath having a charming tiled stand up shower. The large glass sliding doors in the dining area look out to a generous back yard waiting for you to relax and entertain. There are farmhouse style light fixtures and ceiling fans featured throughout the home to give it that special finishing touch. This one is a must see before the spring market rush!
