This charming country home, built in 2017, sits on 3.92 acres. The property offers a peaceful escape from city life, while still close to shopping, the Interstate, and downtown Aiken. Sit on the front porch and watch the deer or head to the backyard to take a dip in the pool. Upon entering the home, the open floor plan is great for entertaining family and friends. The newly carpeted master bedroom offers an ensuite with a remodeled bathroom with large walk-in shower. The two guest bedrooms are spacious and also have new carpet. As you enter the backyard, you'll find a deck, new above ground pool, a detached garage, a new rv/camper carport, and a two car carport with electricity and lights. There are many more updates to the home and property, including a new HVAC unit installed in 2023. This beautiful home has been well maintained and is move-in ready.
