This is a 2600 sq ft building that was used as a convenient store. There's a 3 bay car wash that is included with the property. All items in the store remain. The seller leased the store, so there are no records of any sales. Tanks for gas are on another lot that's not part of the sale, so inground gas tanks will have to be installed in order to sell gas. Great opportunity for someone. Call today to view this property.
