Absolutely Adorable bungalow in the heart of Earlewood. with curb appeal galore. The front porch is almost always shaded and leads to a spacious foyer and extra large living room. The heart pine floors and French doors in the living room and dining room along with the decorative FP mantels are all the charming features of an older home. New stainless steel appliances in the kitchen and tons of cabinetry make this kitchen a dream to cook in. Bathroom was recently remodeled and the bedrooms are both spacious. The sellers have been avid gardeners so the back yard is amazing! Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
