The gourmet kitchen features an abundance of cabinets and granite countertop space, a large peninsula bar with seating for 4, and stainless steel appliances (including a 2022 dishwasher and gas range). An impressive butler's pantry with a wine rack and additional workspace provides ultimate functionality. An oversized laundry room comes complete with ample storage, a folding table, and includes a stainless steel front-load washer and dryer. The spa-like primary bath offers a garden tub, a separate shower, and granite countertops. A convenient half-bath, a formal dining room with elegant details, and a private home office (new carpet 2024) complete the main floor. Plenty of room to entertain in the two-story family room featuring dramatic cathedral ceilings and wonderful natural light. Significant updates include a new architectural shingle roof (2023), new carpeting in key areas (2024), and new LVP flooring in the upstairs hall (2024). The garage is extra-large and 4 feet longer than standard to accommodate longer trucks or SUVs. Outside is a quiet, fully fenced backyard garden with full irrigation and an array of mature trees, shrubs, and flowers that beautiful birds love! The 10x14 concrete patio is just right for a relaxing evening of grilling! This home truly has it all and won't last long!
