<https://vizorealty.com>

Desirable Richland 2 Schools. These 126.5 acres on Grover Wilson Rd in Richland County are punctuated by 3 ponds, various meadows and significant acres of mature pine and hardwoods. The property is rectangular in shape and, with 60 feet of paved road frontage, has adequate entry way to allow power and water to be brought to the site for building or subdivision purposes. The property hugs the border of Fairfield County but is entirely in Richland County. The internal road system, recently cleared up and widened with several culverts also added, allows access by four wheel drive vehicles to most of the property. Ideal for a country estate, gated subdivision or incredible private hunting preserve due to its country location.
