<https://vizorealty.com>

This newly constructed custom home is situated on a flat, tree-lined 1-acre lot in a prime Columbia location. 337 North Brickyard feels like a luxurious mountain retreat with all the modern conveniences and the highest level of construction – 10' walls, 8' doors, upgraded fixtures, quality finishes and materials. Upon entry, you're greeted by an impressive vaulted great room featuring a stunning stacked stone fireplace surrounded by built-ins on each side, with true hardwoods running continuously throughout most of the main level. A wall of windows and a sliding glass door seamlessly connect the indoor space to a spacious, extra-deep covered patio – perfect for entertaining large groups or enjoying peaceful evenings outdoors. The heart of this home is the kitchen, with custom white cabinetry giving abundant storage, a striking oversized island crafted from a single slab of granite, top-of-the-line stainless steel appliances, and a sliding barn door that leads to a huge walk-in pantry. A drop zone, half bath, and large laundry room with a sink and space for hanging can be found near the kitchen. The owner's suite is located at the back of the home and offers a huge walk-in closet and stunning bath. Bedrooms 2 and 3 – which share a Jack and Jill bathroom – are situated on the opposite side of the home for privacy. Upstairs, you'll find the fourth bedroom or guest suite, complete with a private full bath and closet. The home also features an expansive walk-in attic for storage. While private, the home is close to restaurants, shopping, family entertainment and 13 miles from downtown Columbia. ALL complete and ready to close. \*Ask about possible 2K in lender credits\* Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
