Welcome to your NextHome in Cayce's Concord Park community! Enjoy one story living in this move in ready home that boasts three bedrooms and two full bathrooms. Tucked away on the only cul-de-sac in the neighborhood, you'll first notice the large front yard and beautiful landscaping. Walking in, take note of the gorgeous engineered hardwood floors, which flow throughout the main living spaces. To the left of the entryway you'll find two guest bedrooms and the shared guest bathroom. To the right of the entryway you'll head into the kitchen. You'll find the same engineered hardwood floors, granite countertops, stainless steel appliances, and a gas stove. Don't miss the walk-in pantry! The open concept living space also means the kitchen flows seamlessly into the dining area and the HUGE living room. Here you'll find a trayed ceiling, gas fireplace, and hookups for your future flat screen TV and surround sound system. The large primary bedroom has a spacious walk-in closet and a well appointed private bathroom. In the backyard the private covered patio can easily be screened in if desired. Being in a cul-de-sac, you'll have the added benefit of a much larger backyard than the surrounding neighbors. Don't forget all of the perks of being in Cayce like easy access to the Cayce Riverfront park, Steel Hands Brewery, Piecewise Coffee Co., and more. Call me today to schedule your private showing!
