SPECIAL FINANCING as low as 4.875, for life of loan PLUS up to \$6,000 towards closing costs, with use of preferred lender. See Sales Manager for details. This four-bedroom, three-bathroom home is meticulously crafted for practicality without sacrificing style. The open floorplan seamlessly connects the kitchen, a focal point with its convenient island setup and covered outdoor patio access. Further exploration of the main level reveals a pocket office, ideal for remote work. The main level primary suite offers a spacious retreat, featuring a large walk-in closet and ensuite bath with dual vanities and shower with seat. Tailored for growing families, this home features three guest bedrooms and a well-appointed hall bath conveniently located on the main level. The home is complemented by ample storage and a two-car garage. The second level is a finished attic space with bedroom and full bathroom as well as a flex room. This space is great for a media room, play room or home gym. As you continue exploring, you'll find that every detail has been carefully considered and thoughtfully designed. From the energy-efficient features to the high-end finishes, The Easton is built for comfort and affordability. Photos used are for illustrative purposes only. Colors and finishes may vary.
