504 WHISPERING WINDS DRIVE

<https://vizorealty.com>

This lovely 3 bedroom, 2 bath home is waiting for a new family to make memories for years to come. The 1409 square foot floor plan flows nicely from the living room, highlighted by it's cathedral ceiling, to the kitchen and breakfast area. There is also a dining area conveniently located between the living room and kitchen which is perfect for special occasions. The hardwood floors flow throughout the home with tile floors in the kitchen, primary and shared bathrooms. A screened in porch offers protection from the sun and space for bug free relaxation. The private fenced backyard is ready to enjoy peaceful evenings or provides a great running space for your furry pets and also holds a newly shingled shed for extra storage or special projects. This home offers easy access to downtown Lexington and is less than a mile to I-20. A new shingle roof was installed February of 2025.
