

516 BARFIELD ROAD

<https://vizorealty.com>

This fixer upper definitely needs TLC but the possibilities are endless. This is a double wide mobile home on 2 acres with a double sided fireplace with french doors in one room and large living room on the other. A spacious kitchen with lots of cabinets, an island, a counter to eat at and a separate pantry. The laundry/mud room has plenty of space with a sink and room for a freezer. And don't forget there is an above ground pool right off the back deck. This home would be great for a large family. It's in a country setting but close enough to conveniences. There was a roof leak approx. 10 yrs ago that caused damage mold and mildew but the roof was replaced.
