The Galen floor plan, a spacious and stylish two story home perfect for modern living. The first floor features a bright and airy, open concept layout that seamlessly connects the great room, dining area, and gourmet kitchen which is perfect for entertaining or everyday living. The kitchen comes complete with a center island, granite countertops, a corner walk in pantry, 36" cabinets and stainless steel appliances with a refrigerator! A large flex room at the entry offers versatile space ideal for a home office or formal dining room. A second floor owner's suite is grand with massive closets and a private bathroom that features double sinks, a 5' walk-in shower, separate linen closet and plenty of space. Three secondary bedrooms and another full bathroom along with a conveniently located laundry room complete the upstairs area while providing a split bedroom floorplan for a private primary suite. Enjoy the evening breezes on the covered back porch. A powder room on the main floor and a two car garage round out the home's many features. 2" faux wood blinds are included on all standard windows. This is America's Smart Home! Each of our homes comes with an industry leading smart home technology package that will allow you to control the thermostat, front door light and lock, and video doorbell from your smartphone or with voice commands to Alexa. *Photos are of a similar Galen home.
