<https://vizorealty.com>

As you step inside, you are greeted by a private study, ideal for seamless remote work. Certain homesites transform this space into an additional bedroom suite, catering to diverse needs. Moving through the home, the chef-inspired kitchen steals the show, boasting a spacious island with seating, ample cabinet and counter space, and a convenient walk-in pantry. The culinary hub flows into the dining and family room, creating the perfect setting for hosting gatherings. Step outside on the rear covered patio and extend your living space outdoors. Upstairs, retreat to the tranquil primary bedroom featuring a spa-inspired bath with dual sink vanity and a generously sized walk-in closet. Two more bedrooms provide equally spacious closets, ensuring ample storage. The upper-level flex room provides versatility, serving as perhaps a second family room, play area, game room, or an additional work-from-home space. Some homesites have the option to convert this flex room into an extra bedroom. Enjoy the added convenience of a bedroom-level laundry room, making daily chores a breeze.
