923 CHESTER STREET

<https://vizorealty.com>

Located in one of Columbia's most historic neighborhoods, Elmwood Park, welcome to 923 Chester Street. Built in 1905, this Victorian style home has numerous updates throughout, while still maintaining its original character. The front porch is welcoming, and upon entering you will notice the original hardwood floors, heavy molding, stained glass details, and beautiful fireplaces in almost every room. The family room is spacious and leads to the dining room and recently renovated kitchen. The kitchen features all white cabinetry, stainless steel appliances, and a small eat-in area. The laundry room and the half bath are conveniently located on the main floor. Upstairs, you will find all 3 bedrooms which share the renovated hall bath. The owner's suite, with two closets and a fireplace, has additional attic storage which could easily be converted to an ensuite bathroom. Bedroom 3 is currently being used as an office. Outside, you will find a large back deck overlooking the fenced in yard. The paved patio area is ideal for a firepit and provides for a low maintenance yard. The detached garage is perfect for smaller vehicles or additional storage. This home is conveniently located minutes from Columbia's Main Street, the Vista and the Bull St. District.
