<https://vizorealty.com>

Completely renovated and situated on a flat 1.57 acres lot with no HOA surrounded by trees, 930 Corley Mill Road offers the perfect blend of privacy and convenience—a 5 minute drive to Lake Murray and River Bluff High School. A massive storage building with 2 lean-tos, additional detached garage, and attached 2-car garage add to the property's versatility. Exterior upgrades include new Hardi plank siding, extended driveway, and new windows. Inside, the home features a brand-new kitchen with all new cabinets, appliances, fixtures, sink, hardware, flooring, and paint. All bathrooms have been fully renovated, and new LVP flooring installed throughout the entire main level. The entry opens to a striking two-story family room with a brick wood-burning fireplace. The kitchen, semi-open to the family room, includes an eat-in area with views of the backyard. The main-level owner's suite features a luxurious bath with a large shower, soaking tub, dual vanities, and a spacious walk-in closet. A dedicated office is also located at the front of the home. Upstairs are three additional bedrooms that share a full bath. Other updates—including a new roof, HVAC, and pex plumbing throughout—were completed in 2021. Well and septic with room for a pool in the backyard if desired. Corley Mill Road is the perfect location for quick access to schools, 378, downtown Lexington, the Lake Murray Dam, Harbison and the town of Irmo. *Ask about possible 2K in lender credits.
