Welcome to an extraordinary custom-built Lake Murray estate, where luxury and elegance meet breathtaking waterfront views. This remarkable property offers the ultimate lakefront retreat, combining sophisticated design with unparalleled amenities. From the professionally landscaped grounds and million-dollar curb appeal to the grand, custom stamped concrete driveway leading to a stunning stucco and stone exterior, every detail exudes refinement. Expansive porches, balconies, and decks are strategically placed for lake views, while a private dock with a seating area, floating dock, and boat lift ensures effortless access to the water. The stunning dock, with deep water, unaffected by lake drawdowns, is a perfect place to unwind and enjoy the tranquil surroundings. Step inside through the hand-carved mahogany front door into this 4,630 sq. ft. masterpiece. Soaring ceilings, freshly refinished hardwood floors, and a floor-to-ceiling stone fireplace in the great room create an atmosphere of luxury and warmth. Two-story windows flood the space with natural light, offering stunning lake views and openness. The gourmet kitchen is a chef's dream, featuring richly stained cabinetry, granite countertops, an oversized island with a built-in wine rack, wine cooler, and stainless steel appliances. It flows seamlessly into the great room, providing the perfect setting for entertaining. The home boasts five spacious bedrooms, including three on the main level, with private en-suite bathrooms. The primary suite offers an opulent retreat, complete with sweeping lake views, two walk-in closets, and a spa-inspired en-suite with a whirlpool tub, glass shower, and double vanities. Upstairs, an additional bedroom with a private bath ensures guest comfort, while the finished bonus room above the three-car garage, featuring a wet bar, refrigerator, microwave, wine cooler, and full bathroom, is perfect for entertaining. The landscape lighting and complete yard irrigation system enhance the beauty and functionality of the grounds. The home is equipped with a security system with entry detection, motion, and glass break sensors, along with central station monitoring. Stunning home!!! Discl
